

I would like to thank Parish Council and all members of St. Patrick Parish for the warm welcome and wonderful celebration last weekend. I am looking forward to leading and experiencing this journey with your Parish.

—Father Arnel Tadeo

AED TRAINING

On Wednesday, September 13 at 6:00pm, Brady's Bend Township will be offering a free training for the use of an AED device, at the Brady's Bend Township office. An AED device was donated to the township by Brady's Bend Underground Storage and is available at the township building. Light refreshments will be offered to anyone interested.

Reservations are not necessary but would be very helpful.

The telephone number for the township office is

724-526-5569
