

Food Bank Collection

Each week beginning next Saturday, **October 21 through November 4**, we will be asking for items that are most in need of the Food Bank.

The non-perishable items will vary from week to week.

This week we will be asking for: **Canned fruit, Stuffing Mix, and Instant Potatoes.**

Please place items in the bin in the Narthex.

Each item that you are able to donate will go to those in great need. As always, your generosity is greatly appreciated.
